IMPORTANT NOTICE:

Please note that we normally charge a £250 Application Fee for providing our broking service. If you would like to know more about what we do in return for this Fee, please visit our website or contact us.

If you need more space to answer any question more fully, please use the Additional Information space provided or attach a separate sheet. If a Question is not relevant to this specific case, please answer "N/A".

Completion of this Proposal Form does not in itself bind Universal Legal Protection Ltd, any Insurer or the Proposer to any contract. But in the event of an Insurance Policy or Certificate being issued pursuant to this Proposal Form, this Proposal Form shall constitute part of that Policy or Certificate.

Before the insurance contract is entered into, the Proposer must make a fair representation of the risk to the Insurer, in accordance with Section 3 of the Insurance Act 2015.

In summary, the Proposer must:

- a) disclose to the Insurer every material circumstance which the Proposer knows or ought to know. Failing that, the Proposer must give the Insurer sufficient information to put a prudent Insurer on notice that it needs to make further enquiries in order to reveal material circumstances. A matter is material if it would influence the judgement of a prudent Insurer as to whether to accept the risk and, if so, on what terms (including premium); and*
- b) make the disclosure in clause a) above in a reasonably clear and accessible manner; and*
- c) ensure that every material representation as to matter of fact is substantially correct and that every material representation as to matter of expectation or belief is made in good faith.*

For the purpose of clause a) above, the Proposer is expected to know the following:

- a) If the Proposer is an individual, what is known to the individual and anybody who is responsible for arranging this insurance.*
- b) If the Proposer is not an individual, what is known to anybody who is part of the Proposer's senior management; or anybody who is responsible for arranging this insurance.*
- c) Whether the Proposer is an individual or otherwise, what should reasonably have been revealed by a reasonable search of information available to the Proposer. The Proposer cannot ignore or deliberately withhold information (this may amount to breach of the duty or fair representation even if the Insurer had sufficient information to ask questions but did not do so). The information may be held within the Proposer's organisation, or by a third party (including but not limited to subsidiaries, affiliates, the broker, or any other parties. The Insurer expects that the Proposer will have included them in its enquiries, and that the Proposer will inform the Insurer if it has not done so.
